The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**APPROVE SOLE SOURCE AGREEMENT WITH
DATA INFORMATION MANAGEMENT SYSTEMS FOR
CONTINUATION OF EXISTING SYSTEM
MAINTENANCE AND SUPPORT SERVICES OF THE COUNTY'S
VOTER INFORMATION MANAGEMENT SYSTEM
(ALL DISTRICTS) (3 VOTES)**

**CIO RECOMMENDATION: APPROVE (X) APPROVE WITH MODIFICATIONS ()
DISAPPROVE ()**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chairman to sign the attached sole source Agreement (Agreement) with Data Information Management Systems (DIMS), a wholly owned subsidiary of Diebold Election Systems, Inc., for continuation of existing system maintenance and support services of the County's Voter Information Management System (VIMS) and provide for any future system enhancements legally mandated by the Federal Help America Vote Act (HAVA) and/or State of California law, regulation, or statute, for a Contract Sum of \$4,116,250 over an initial five-year contract period with three one-year extension options effective February 10, 2007 or upon Board approval whichever is later. The Agreement is fully funded in the Department of the Registrar-Recorder/County Clerk's (RR/CC) operating budget.
2. Authorize the Registrar-Recorder/County Clerk, or her designee, to amend the Agreement to exercise the extension options under the terms of the Agreement if

needed and incorporate into the Agreement any new or revised Board-mandated provisions that may become effective during the term of the Agreement.

3. Authorize the Registrar-Recorder/County Clerk, or her designee, to amend the Agreement to transfer up to twenty percent (20%) of the Contract Sum (\$823,250) between the Agreement service components as needed to ensure that all VIMS service components are available as needed for optimal performance of VIMS.
4. Authorize the Registrar-Recorder/County Clerk, or her designee, to amend the Agreement to increase the Contract Sum up to ten (10%) percent (\$411,625) if needed, providing approval from County Counsel and Chief Administrative Officer is obtained, for a maximum Contract Sum not to exceed \$4,527,875.

PURPOSE/ JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended action is to ensure uninterrupted operation and continuation of maintenance and support services of the County's successful Voter Information Management System (VIMS) initially purchased and installed in 1998. VIMS is a voter registration database which contains all information for the County's 5.5 million registered voters (4 million active and 1.5 million inactive voters). The VIMS database forms the basis for establishing and maintaining the precincting of voters, the absentee voting system, verifying petitions, and maintaining pollworkers and voting location files. VIMS is not involved in tabulation of ballots.

Implementation of Strategic Plan Goals:

This request supports the County Strategic Plan as follows:

Goal No. 3: Organizational Effectiveness: Ensure that service delivery systems are efficient, effective, and goal-oriented. The services provided under the Agreement will ensure continuation of optimal performance of the County's VIMS which is critical to conduct federal, state, and local elections.

FISCAL IMPACT/ FINANCING:

The Contract Sum for this Agreement includes \$3,400,000 for continued maintenance and support services; \$656,250 for Other Professional Services to provide for any system enhancements legally mandated by HAVA and/or California law, regulation, or statute; and \$60,000 for Training services if needed during the term of this Agreement, including extension option years if exercised for a total Contract Sum of \$4,116,250. The Agreement also provides RR/CC with the flexibility to increase the Contract Sum by ten percent (10%) (\$411,625), providing approval from County Counsel and Chief

Administrative Officer is obtained, for a maximum Contract Sum not to exceed \$4,527,875. Funds are available in the RR/CC operating budget for this expenditure.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The RR/CC is responsible for the registration of voters, maintenance of the voter, precincting, absentee voting, petitions, precinct officers and polling location files, and the conduct of federal, state, and county elections as well as, by contract, other local elections within Los Angeles County.

On February 10, 1998, your Board adopted a five (5) year contract with three (3) one-year extension options with Data Information Management Systems (DIMS) for a voter information management system (VIMS) operated in a client-server environment. VIMS replaced the voter registration and election management system designed and developed in 1976 by the Internal Services Department (ISD) which operated on the County's IBM mainframe computer system. The annual maintenance cost of the previous system was \$1.05 per registered voter compared with \$0.07 per registered voter of the replacement VIMS system provided by DIMS. Nine years later, the requested renewal contract maintains the \$0.07 per registered voter annual cost.

In addition to significant cost savings, from the outset VIMS enabled additional automation features and functionality as well as operational efficiencies, improved service delivery and system reliability. The contract with DIMS to provide VIMS also enabled the County to join a statewide network of counties utilizing the DIMS election management products which currently encompasses more than half of the State's registered voters. The VIMS' client-server platform also enabled partnerships with the City of Los Angeles and the City of Long Beach, which were approved by your Board, for on-line VIMS access. The City Clerks of both of these jurisdictions, which conduct their own city elections, have reported improved election administration in their cities as a result of the ability to utilize VIMS functionality on-line. A recommendation for continuing on-line access by these cities will be presented to your Board in a separate Board letter.

The current Agreement with DIMS for provision of VIMS was set to expire on February 9, 2006. In compliance with your Board's policy, advanced notification of the department's intent to negotiate a sole source agreement was provided to your Board via a letter of intent on September 26, 2005. Due to unforeseen workload demands, caused in part by the November 6, 2005 Special Statewide Election coupled with the intense and lengthy contracting process for acquisition of the new InkaVote Plus Voting System, on January 31, 2006, your Board approved a month-to-month extension of the existing VIMS Agreement for up to twelve (12) months, ending February 9, 2007.

The RR/CC determined the need for a sole source agreement due to: 1) a mission critical need for uninterrupted services of the voter registration database which forms the basis for continuation of critical election management functions as noted above; 2) VIMS runs on proprietary software for which the incumbent contractor is the only authorized provider; and 3) attempting to procure a new system to replace the current, successful VIMS would de-stabilize the County's ability to provide critical election services at a time of continuous, ongoing elections and at a time when the State of California is planning to contract for a new, statewide voter registration system which may impact all counties' election operations.

The recommended Agreement is for a period of five (5) years with three (3) one-year extension options. Approval of the Agreement will ensure the continuation of mission critical services and provide the necessary resources for any future enhancements needed to continue to interface with the State's interim statewide voter registration system, CALVOTER, and any future statewide voter registration system which may be administered and maintained by California's Secretary of State. This process will meet functional, business, and legal requirements mandated by federal and state laws and California regulations.

The Agreement contains all required Board provisions. The contractor is in compliance with all Board, Chief Administrative Office, and County Counsel requirements. The County's Chief Information Office concurs with the Department's recommendations. The Chief Administrative Office has reviewed and approved this Board letter. County Counsel has approved the attached Agreement as to form.

CONTRACTING PROCESS:

The Agreement was developed through contract negotiations with the incumbent contractor. There was no additional contracting process conducted for this Agreement. The Agreement meets established County criteria for sole source agreements. The incumbent contractor owns the proprietary software responsible for VIMS functionality and is the only authorized service provider. In addition, taking into account the system complexities, it is not in the County's best interest at this time to change systems due to the high cost of a replacement system; ever changing and dynamic election regulations, laws and requirements; and overwhelming need for uninterrupted mission critical services.

The recommended Agreement includes the Cost of Living Adjustment (COLA) provision and complies with County Policy 5.070.

The Living Wage Program (County Code Chapter 2.201) does not apply to the recommended Agreement.

IMPACT ON CURRENT SERVICES:

Approval of the recommended Agreement will ensure uninterrupted service of the County's Voter Information Management System (VIMS) which maintains voter records for over 5.5 million registered voters, precincting data, petition data, absentee voting data, pollworker and polling place data.

CONCLUSION

Upon approval and execution of the Agreement, it is requested that the Executive Officer/Clerk of the Board, return one adopted stamped copy of the approved Board letter and two originally signed copies of the Agreement to:

Project/Contract Description:

This sole source contract with Data Information Management Systems will provide continued maintenance and support services for the County's Voter Information Management System (DIMS), and provide for any future system enhancements that are legally mandated. The term of the agreement is five-years at a total cost of \$4,116,250, with the option to extend the agreement for three one-year terms.

Background:

This client/server voter information management system was originally implemented in 1998. At that time, it replaced the voter registration and election management system that was developed internally and operated on the IBM mainframe. The original maintenance and support agreement expired on February 9, 2006. Because of unforeseen workload demands on the RR/CC's Office, the Board approved a month-to-month extension of up to 12 months for that agreement. That action was necessary to continue VIMS maintenance and support and to allow the RR/CC sufficient time to complete contract negotiations with the incumbent contractor and recommend a new contract for Board consideration. That month-to-month agreement is due to expire on February 9, 2007.

Project Justification/Benefits:

The approval of this maintenance and support agreement will ensure the continuation of mission critical services and provide the necessary resources for any future mandated enhancements needed to interface with the state of California's Statewide Voter Registration Database, CALVOTER system and any future statewide voter registration system administered and maintained by the Secretary of state. VIMS maintains voter recorders for more than 4.1 million registered voters, and provides voter data, pollworker and polling place data. VIMS also allows for the Board approved partnerships with the City of Los Angeles and the City of Long Beach for on-line access, which has helped to improve the quality of the voter data and pollworker and polling place data used by all jurisdictions.

Project Metrics

This is a maintenance and support agreement of an existing system with an existing service provider. The metrics will be the continued delivery of support services, and professional services to address required system enhancements. Because no enhancements have been identified at this time, there are no pending statements of work.

Impact On Service Delivery Or Department Operations, If Proposal Is Not Approved

Approval of this agreement will ensure uninterrupted service to the Voter Information Management System. Because of the high cost of a replacement voter information management system, not approving the agreement would severely impact the RR/CC, and would not be in the best interest of the County.

Alternatives Considered:

None. The incumbent contractor owns the proprietary software responsible for VIMS functionality and is the only authorized service provider.

Project Risks:

Key project risks include ensuring that:

- Data Information Management Systems continues to provide the appropriate levels of service.
- Legally mandated system enhancements are completed on a timely/cost effective basis.

Risk Mitigation Measures:

The following risk mitigation measures are in place to address the key project risks:

- Termination clauses exist in the agreement for Termination of Convenience and Default.
- Funds to address mandated system enhancements have been included in the request.

Financial Analysis:

The total cost of the contract is \$4,116,250. The agreement is fully funded in the Department of the Registrar-Recorder/County Clerk's operating budget.

The components are as follows:

- \$3,400,000 for maintenance and support services
- \$656,250 for other professional services
- \$60,000 for training

The request also includes a request to authorize the Registrar-Recorder, or her designee, to amend the agreement to exercise extension option under the terms of the agreement if needed and incorporate into the agreement any new or revised Board-mandated provisions that may become effective during the term of the agreement.

Also, there is a request to authorize the Registrar-Recorder, or her designee, to amend the agreement to transfer up to 20% of the contract sum (\$823,250) between agreement service components as needed to ensure that all VIMS services components are available as needed for optimal performance.

Additionally, there is a request to authorize the Registrar-Recorder, or her designee, to amend the agreement to increase the contract sum by up to 10% (\$411,625), if needed, providing approval from County Counsel and Chief Administrative Officer is obtained, for a maximum contract sum not to exceed \$4,527,875.

CIO Concerns:

None.

CIO Recommendations:

My Office supports this contract and recommends approval by the Board.

- 6.2 Except as otherwise provided herein, for any change which materially affects the scope of work, Term, Contract Sum, payments, or any Term or condition included under this Agreement, an Amendment shall be prepared and executed by the Contractor and by County's Board of Supervisors.
- 6.3 The County's Board of Supervisors or Chief Administrative Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the Term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Administrative Officer. To implement such changes, an Amendment to the Agreement shall be

prepared and executed by the Contractor and by the Registrar, or her designee.

- 6.4 The Registrar may, at her sole discretion, authorize extensions of time as defined in Paragraph 5 (Term). The Contractor agrees that such extensions of time shall not change any other term or condition of this Agreement during the period of such extensions. To implement an extension of time, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Registrar, or her designee.

7. CONTRACT SUM

- 7.1 The "Contract Sum" under this Agreement shall be the total monetary amount payable by County to Contractor for supplying all Tasks, subtasks, Deliverables, goods, services and other Work specified under this Agreement. All work completed by Contractor must be approved in writing by County, which approval shall not be unreasonably withheld. If County does not approve work in writing, no payment shall be due to Contractor for that work. The Contract Sum for this Agreement, including all applicable taxes, authorized by County hereunder is allocated as follows: Three Million, Four Hundred Thousand Dollars (\$3,400,000) for maintenance services; plus Six Hundred Fifty-six Thousand Two Hundred Fifty dollars (\$656,250) for Other Professional Services; plus Sixty Thousand Dollars (\$60,000) for Training services for the Term of this Agreement, for a total Contract Sum of Four Million, One Hundred Sixteen Thousand Two Hundred Fifty dollars (\$4,116,250).
- 7.2 VIMS maintenance fee and other applicable rates for the Term of the Agreement are set forth in Exhibit B (Price Matrix). Registrar, or her designee, at her sole discretion, may transfer funding amounts, up to 20 percent (20%) of the total Contract Sum, between service components as needed to ensure the provision of service needs.
- 7.3 In addition to the provisions set forth in this Paragraph 7 (Contract Sum), Registrar, or her designee, may increase the Contract Sum up to a maximum of 10 percent (10%) of the total Contract Sum over the Term of the Agreement, including any extensions thereof if exercised, to ensure the provision of Services.
- 7.4 The Contract Sum may be adjusted in the Option Term based on the increase or decrease in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) for the Los Angeles-Riverside-Orange County Area for the most recently published percentage change for the 12-month period preceding the Agreement anniversary date, which shall be the effective date for any cost of living adjustment. However, any increase shall not exceed the general salary movement granted to County

employees as determined by the Chief Administrative Office as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, Contractor acknowledges there shall be no corresponding adjustment to the fees for Maintenance Services, training or to the hourly rate for Other Professional Services. Notwithstanding the foregoing, if Contractor, reasonably and in good faith determines that the service level and man-hours required to provide Maintenance Services have materially increased, Contractor may request that the Maintenance Fee, but not the hourly rate for Other Professional Services, be adjusted to reflect such required increased service level support, which adjustment may be in excess of the increase that would otherwise be applicable pursuant to such consumer price index adjustment (as the same may be adjusted to reflect the general percentage salary change applicable to County employees). Should Contractor desire to adjust either the Maintenance Fee pursuant to this Subparagraph 7.4, Contractor will submit such proposed adjustment, including the basis for calculating such adjustment and any supporting documentation and analysis, to County's Project Director no later than ninety (90) Days prior to the end of the current Extension Year. If County's Project Director disagrees with the amount of such proposed adjustment, County's Project Director will notify Contractor within thirty (30) Days of County's receipt of Contractor's proposed adjustment, which County notice will include County's proposed adjustment, and the basis for such determination, pursuant to this Subparagraph 7.3. Upon receipt of County's response and proposed adjustment, if the Parties fail to agree on the amount of such adjustment, either Party may, upon notice to the other Party, submit the matter for dispute resolution pursuant to Paragraph 49 (Notice of Dispute and Dispute Resolution Procedure). During the dispensation of any dispute resolution pursuant to Paragraph 49 (Notice of Dispute and Dispute Resolution Procedure), County may elect to continue Services for the applicable ensuing Extension Year upon notice to Contractor and payment of any undisputed amount, as applicable.

- 7.5 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County's express prior written approval.
- 7.6 The Contractor shall maintain a system of record keeping that will allow the Contractor to determine when it has incurred seventy-five percent

(75%) of the total Contract Sum authorized under this Agreement. Upon occurrence of this event, the Contractor shall send written notification to RR/CC at the address herein provided in Exhibit C (County's Administration).

- 7.7 Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by the Contractor after the expiration or other termination of this Agreement. Should the Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Agreement.

8. INVOICES AND PAYMENTS

8.1 Approval of Invoices

Contractor shall review the disputed charges and send a written explanation reasonably detailing Contractor's objection to the IDR within ten (10) Days of receipt of the IDR from County's Project Director. If County's Project Director does not receive a written response within ten (10) Days of County's notice to Contractor of an IDR, then County payment will be made, less the disputed charges. Notwithstanding any partial payments made by County, provided Contractor has timely responded to the IDR as set forth above, Contractor retains its right to seek payment, pursuant to Paragraph 49 (Notice of Dispute and Dispute Resolution Procedure), for any unpaid disputed portion of any invoice. If Contractor does not respond with a written objection to the IDR within the ten (10) Day period set forth above, Contractor waives its right to dispute the IDR and the partial payment by County.

8.4 Sales/Use Tax

The Contract Sum and any amounts invoiced by Contractor to County pursuant to this Subparagraph 8.4 (Sales/Use Tax) shall be deemed to include all amounts necessary for County to reimburse Contractor for all applicable California and other state and local sales/use taxes applicable to Hardware or Software components for VIMS. All applicable California sales/use taxes shall be paid directly by Contractor to the state or other taxing authority. Contractor will be solely liable and responsible for, and shall indemnify, defend, and hold harmless County from, any and all other California and other state and local sales/use tax on all other items (including Custom Programming Modifications, installation, maintenance, etc.) and shall pay such tax directly to the state or other taxing authority. County shall cooperate with and assist Contractor, at Contractor's expense, in connection with any claim, action, or lawsuit to which the above indemnity applies, including asserting all defenses, claims, or counterclaims reasonably requested by Contractor, including that of sovereign immunity.

8.5 County's Right to Withhold

Notwithstanding any other provision of this Agreement, and in addition to any rights of County provided in this Agreement, or at law or in equity, County may, upon notice to Contractor, withhold payment for any Work while Contractor is in default hereunder, or at any time that Contractor has not provided County approved Work, except that County shall not withhold payment that was already approved before Contractor entered default or failed or provide approved Work.

9.2 Corrective Measures

County's Project Director shall notify Contractor in writing, or if not practicable, orally (with written notice to follow within three (3) Days) to either Contractor's Project Director or Project Manager, of any Deficiency. Upon a notice from County or Contractor's discovery of a Deficiency, Contractor shall promptly commence corrective measures to remedy such Deficiency. Contractor shall diligently continue to remedy such Deficiency, including Minor Imperfection to its utmost capabilities. Contractor acknowledges that it may be required to repair, replace or reinstall all or any part of VIMS that is defective, including Hardware, Software, or other material, or create an Update, in order to remedy a Deficiency.

9.3 Approval

Maintenance Services shall include the correction of any and all Deficiencies, including Minor Imperfections that occur during the Term. Correction of such Deficiencies shall be at no additional cost to County beyond the Maintenance Fee, as established in Exhibit B (Price Matrix). If any component of VIMS requires Maintenance Services, Contractor shall endeavor reasonably to provide such services at County's location, provided that, if the Contractor determines it necessary to replace any component, or repair any component at Contractor's facility, Contractor shall pay all shipping costs, and shall provide full replacement value

12.2 Installation Tests

Contractor shall conduct installation tests on each upgrade or modification to the System in accordance with Exhibit A (Statement of Work). Contractor shall give County notice of each of the installation tests, and designated representatives of County may observe the installation tests and verify the results as County deems necessary or appropriate. Upon satisfactory completion of each of the installation tests, Contractor shall deliver to County a written certification of completion of the applicable installation test.

12.3 Acceptance Tests

After Contractor delivers to County the certification of completion of the applicable installation tests, County shall begin its testing to perform, with the active assistance of Contractor, the following tests (individually, an "Acceptance Test" and collectively, the "Acceptance Tests"), as also described in Exhibit A (Statement of Work), as to the applicable project:

12.3.1 "Initial System Component Test" to determine whether each System component has been properly installed and is working in accordance with all applicable Specifications;

12.3.2 "Integrated System Component Test" to determine whether each System component interfaces and integrates with other System components already installed and whether each such System component can be used in the approved operating configuration and operates in accordance with all applicable Specifications and this Agreement;

12.3.3 "Final System Test" to ensure that all System components of the project and of all previous updates and modifications interface and integrate with System and each other in the approved operating

configuration and operate in accordance with all applicable Specifications and this Agreement.

12.4 Failed Acceptance Testing

If County's Project Director makes a good faith determination that a System component has not successfully completed an Acceptance Test, County's Project Director shall promptly notify Contractor in writing of such failure, specifying with as much detail as possible the manner in which the System component or System failed to pass the applicable Acceptance Test. Contractor shall immediately commence all reasonable efforts to complete, as quickly as possible, such necessary corrections, repairs and modifications to the System component or the System as will permit the System component and the System to be ready for retesting. Contractor shall notify County's Project Director when such corrections, repairs and modifications have been completed, and the Acceptance Tests shall begin again. If, after the applicable Acceptance Test has been completed for a second time, County's Project Director makes a good faith determination that the System component or System again fails to pass the applicable Acceptance Test, County's Project Director shall promptly notify Contractor in writing, specifying with as much detail as possible the manner in which the System component or System failed to pass the applicable Acceptance Test. Contractor shall immediately commence all reasonable efforts to complete, as quickly as possible, such necessary corrections, repairs and modifications to the System component or the System as will permit the System component and the System to be ready for retesting. Such procedure shall continue until such time as County notifies Contractor in writing either: (i) of the successful completion of such Acceptance Test or (ii) that County has concluded in its sole judgment that satisfactory progress toward such successful completion is not being made, in which latter event County shall have the right, in County's sole judgment, to terminate this Agreement in accordance with Paragraph 60 (Termination for Default), as a non-curable default with respect to (i) one or more System components, or (ii) if County believes the failure to pass the applicable Acceptance Test materially affects the function or desirability to County of the System as a whole, the entire Agreement.

12.5 Certification of Completion

After County's Project Director has determined that the System has achieved Final Project Acceptance, as set forth in Subparagraph 12.1, County shall within thirty (30) Days issue a written certificate of completion.

13. OWNERSHIP, LICENSE

13.1 Ownership

13.1.1 VIMS Software provided to County pursuant to this Agreement, other than Third Party Software, shall remain the property of Contractor, and all such software is subject to the License granted to County pursuant to Subparagraph 13.2 (License). Third Party Software shall remain the property of, and is subject to the licenses granted by its third party owner.

13.1.2 Subject only to Contractor's rights and the rights of the owners of any Third Party Software in their intellectual property that is contained within VIMS, if any (e.g. to the extent VIMS contains any embedded firmware), upon acceptance of any new, modified or Optional components to VIMS, or any, as applicable, title to such components delivered prior to such date and approved and accepted by County in accordance with the terms of this Agreement shall pass to County, and County owns all right, title and interest in such components, provided, however, all VIMS Software and any and all of its derivatives shall remain the sole property of Contractor.

13.2 License

13.2.1 Contractor grants to County, effective as of the Effective Date, a license for five (5) years with an option to extend this Agreement for up to three (3) additional one-year periods, for all users, unrestricted except as expressly restricted in this Agreement (the "License"):

13.2.2 To use VIMS on an unlimited number of computers, servers, local area networks and wide area networks, for an unlimited number of users. The use of certain Third Party Software shall be subject to limitations as set forth in Paragraph 15 (Third Party Software). This includes, but is not limited to, use by any and all cities, unincorporated areas and other governmental agencies that County may allow to access VIMS.

13.2.3 Contractor warrants (1) that it has full power and authority to grant the License and all other rights granted by this Agreement to County, (2) that no consent of any other person or entity is required by Contractor to grant such rights other than consents that have been obtained and are in effect, and (3) that neither the performance of this Agreement by Contractor, nor the license to, and use by, County and its users of VIMS or any part thereof in

accordance with this Agreement will any way violate any non-disclosure agreement, nor constitute any infringement or other violation of any copyright, trade secret, trademark, service mark, patent, invention, proprietary information, or other rights of any third party.

14. OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT

- 14.1 Except for the VIMS Software and any derivatives thereof, County shall be the sole owner of all rights, title and interest, including copyright, in and to all software, plans, reports, acceptance test criteria, acceptance test plans, the SOW, departmental procedures and processes, data, diagrams, facilities, tools, and information developed by County or by Contractor pursuant to and for delivery to County under the Agreement (hereafter "County Product") which are originated or created through the Contractor's work pursuant to this Agreement.
- 14.2 Except for the VIMS Software and any derivatives thereof, Contractor shall execute all documents necessary to assign and transfer to, and vest in the County all of the Contractor's rights, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to the Contractor's work under this Agreement.
- 14.3 During the Term of this Agreement and for five (5) years thereafter, the Contractor shall maintain and provide security for all of the Contractor's working papers prepared under this Agreement. County shall have the right to inspect, copy and use at any time during and subsequent to the term of this Agreement, any and all such working papers and all information contained therein.
- 14.4 To the extent that such County Product developed by Contractor may be made generally applicable to the provision of election systems and services, Contractor is hereby granted a perpetual, nonexclusive, and irrevocable license to use such County Product, including the right to modify, reproduce, make derivative works from, and sublicense, so long as such use does not reveal confidential material of County.
- 14.5 Any and all materials, software and tools which are developed or were originally acquired by the Contractor outside the scope of this Agreement, which the Contractor desires to use hereunder, and which the Contractor considers to be proprietary or confidential, must be specifically identified by the Contractor to the County's Project Manager as proprietary or confidential, and shall be plainly and prominently marked by the Contractor as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.

- 14.6 The County will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are safeguarded and held in confidence. The County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.
- 14.7 Notwithstanding any other provision of this Agreement, the County will not be obligated to the Contractor in any way under Subparagraph 14.6 for any of the Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Subparagraph 14.5 or for any disclosure which the County is required to make under any state or federal law or order of court.
- 14.8 All the rights and obligations of this Paragraph 14 shall survive the expiration or termination of this Agreement.

15. THIRD PARTY SOFTWARE

- 15.1 Certain System Software, being the Operating Software and no other software (herein "Third Party Software"), is owned by third parties, and Contractor represents and warrants that it has not modified and will not modify, nor does Contractor have any need to modify, such Third Party Software in order for the System to fully perform in accordance with all requirements of this Agreement. Contractor represents and warrants that it does not have any license or other right to modify such Third Party Software and that such Third Party Software shall be provided to County in the same unmodified form as received by Contractor from the applicable third party. Contractor represents and warrants that such Third Party Software shall, together with the remainder of the System Software, fully satisfy all requirements of the Agreement without the need for any modification of the Third Party Software by Contractor or otherwise.
- 15.2 County acknowledges that it may have to execute certain third party license agreements in respect to the Third Party Software. These third party license agreements shall be at no cost to County and shall include reasonable terms and conditions as determined by County. To the extent that any such third party license agreement conflicts with this Agreement as it applies to County's right to use the System Software or modify the System Software (other than the Third Party Software), Contractor shall take all necessary action and pay all sums required to provide County with all the rights to use and modify the System Software (excluding modification of the Third Party Software) afforded by this Agreement. Contractor warrants that whether or not such third party license agreements are required of County, County shall receive licenses of all of the Third Party Software that will allow use of the System Software in accordance with all of the terms of this Agreement. Without limiting the

foregoing, Contractor shall be responsible for acquiring for and delivering to County, at the cost of Contractor, licenses permitting the use of all other Third Party Software for an unlimited number of users, which licenses do not in any way limit County's rights pursuant to Subparagraph 13.2 (License).

- 15.3 In the event it nonetheless becomes necessary to modify such Third Party Software to satisfy any of the requirements of this Agreement, Contractor shall promptly, at no cost to County, either: (1) obtain a license from the appropriate third party which shall enable Contractor to modify such Third Party Software, and Contractor shall provide all necessary modifications or (2) to the extent that Contractor is unable to obtain such a license, provide an upgrade or alternative solution, which is functionally equivalent, in County's Project Director's reasonable determination, in lieu of modifying such Third Party Software. If County exercises its option to terminate this Agreement for convenience pursuant to Paragraph 59 (Termination for Convenience), the obligations of Contractor as set forth in this Paragraph 15 shall be null and void. Nothing herein shall require Contractor to pay for a new release, version, or revision of Third Party Software, which is not otherwise provided under maintenance and support.

16. CONTINUOUS PRODUCT SUPPORT

- 16.1 If, with prior written consent of County in accordance to Paragraph 27 (Assignment by Contractor), Contractor assigns or transfers this Agreement to a permitted assignee and subsequent to such assignment, VIMS Software as applicable, is not supported to at least the same level that Contractor supported VIMS, as determined by County's Project Director (because, for example, Contractor's permitted assignee chooses to support other products in preference to the products licensed herein), County, at its option, may elect to transfer the License, without cost or penalty, to another similar product ("Replacement Product") within Contractor's permitted assignee's product offering. The assignee, by taking benefit (including acceptance of any payment under this Agreement) shall be deemed to have ratified this Agreement. All terms and conditions of this Agreement shall continue in full force and effect for the Replacement Product. In addition, the following terms and conditions shall apply if County elects to transfer the license to a Replacement Product;
- 16.2 Any prepaid maintenance and support for VIMS shall transfer in full force and effect for the balance of the Replacement Product's maintenance and support term (or equivalent service) at no additional cost. If the prepaid moneys are greater than the Replacement Product's maintenance and

support fee for the same term, the credit balance shall be applied to future maintenance and support fees or returned to County, at County's option;

16.3 Any and all modules offered separately, and needed to match the original VIMS Software, or any component thereof, level of functionality, as determined by County's Project Director shall be supplied by Contractor's permitted assignee without additional cost or penalty, and shall not affect the calculation of any maintenance and support fees;

16.4 All County users and support personnel shall receive reasonable training for purposes of learning the Replacement Product. Training shall be provided at no additional cost to County or users; all License terms and conditions shall remain as granted herein with no additional fees imposed on County; and the definition of VIMS, as applicable, shall then include the Replacement Product.

17. WARRANTY AGAINST CONTINGENT FEES

17.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial, or selling agencies maintained by Contractor for the purpose of securing business.

17.2 For breach of this warranty, County shall have the right to terminate this Agreement and, in its discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

18. INDEPENDENT CONTRACTOR STATUS

18.1 This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one Party shall not be, or be construed to be, the employees or agents of the other Party for any purpose whatsoever.

18.2 County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, state, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor, including any Subcontractor personnel engaged directly or indirectly by Contractor in connection with Contractor's performance under this Agreement.

- 18.3 Contractor understands and agrees that all persons performing Work pursuant to this Agreement are not, for purposes of Workers' Compensation liability, employees of County. County shall not be liable or responsible for furnishing any Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to this Agreement.
- 18.4 Contractor shall provide to County an executed Contractor Employee Acknowledgment, Confidentiality & Assignment of Rights (Exhibit G) for each employee performing Work under this Agreement and for each Contractor employee having direct contact with County (either by telephone, by electronic or written correspondence, or in person) pursuant to this Agreement. Such agreements shall be delivered to County's Project Director.

19. INDEMNIFICATION

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions arising from and/or relating to this Agreement.

20. GENERAL INSURANCE REQUIREMENTS

Without limiting the Contractor's indemnification of the County and during the term of this Agreement, the Contractor shall provide and maintain, and shall require all of its Subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by the County. Such coverage shall be provided and maintained at the Contractor's own expense.

20.1 Evidence of Insurance

Certificate(s) or other evidence of coverage satisfactory to the County shall be delivered to:

Registrar-Recorder/County Clerk
Contracts Section
12400 Imperial Highway, Room 5203
Norwalk, CA 90650
Attn: Contract Monitor

prior to commencing services under this Agreement. Such certificates or other evidence shall:

- Specifically identify this Agreement;
- Clearly evidence all coverages required in this Agreement;
- Contain the express condition that the County is to be given written notice by mail at least thirty (30) Days in advance of cancellation for all policies evidenced on the certificate of insurance;
- Include copies of the additional insured endorsement to the commercial general liability policy, adding the County of Los Angeles, its Special Districts, its officials, officers and employees as insureds for all activities arising from this Agreement; and
- Identify any deductibles or self-insured retentions for the County's approval. The County retains the right to require the Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to the County, or, require the Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

20.2 Insurer Financial Ratings

Insurance is to be provided by an insurance company acceptable to the County with an A.M. Best rating of not less than A:VII unless otherwise approved by the County.

20.3 Failure to Maintain Coverage

Failure by the Contractor to maintain the required insurance or provide evidence of insurance coverage acceptable to the County shall constitute a material breach of the Agreement upon which the County may immediately terminate or suspend this Agreement. The County, at its sole option, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase such required insurance and without further notice to the Contractor, the County may deduct from sums due to the Contractor any premium costs advanced by the County for such insurance.

20.4 Notification of Incidents, Claims or Suits

Contractor shall report to the County:

- Any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against the Contractor and/or the County. Such report shall be made in writing within 24 hours of occurrence.
- Any third party claim or lawsuit filed against the Contractor arising from or related to services performed by the Contractor under this Agreement.

- Any injury to a Contractor employee that occurs on County property. This report shall be submitted on a County "Non-employee Injury Report" to the County's Project Manager.
- Any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies or securities entrusted to the Contractor under the terms of this Agreement.

20.5 Compensation for County Costs:

In the event that the Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any costs to the County, the Contractor shall pay full compensation for all costs incurred by the County.

20.6 Insurance Coverage Requirements for Subcontractors

The Contractor shall ensure any and all Subcontractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

- The Contractor providing evidence of insurance covering the activities of Subcontractors, or
- The Contractor providing evidence submitted by Subcontractors evidencing that Subcontractors maintain the required insurance coverage. The County retains the right to obtain copies of evidence of Subcontractor insurance coverage at any time.

The coverage also shall provide an extended two year reporting period commencing upon termination or cancellation of this Agreement.

22. LIQUIDATED DAMAGES

22.1 If, in the judgment of the Registrar, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Registrar, or her designee, at her option, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. The work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Registrar, or her designee, in a written notice describing the reasons for said action.

22.2 If the Registrar determines that there are Deficiencies in the performance of this Agreement that the Registrar deems are correctable by the Contractor over a certain time span, the Registrar will provide a written notice to the Contractor to correct the Deficiency within specified time frames. Should the Contractor fail to correct Deficiencies within said time frame, the Registrar may:

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the monthly Contract Sum; and/or

(b) Deduct liquidated damages. The Parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a Deficiency within the specified time frame. The Parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per Day per infraction, and that the Contractor

shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or

- (c) Upon giving five (5) Days notice to the Contractor for failure to correct the Deficiencies that may result in delay of delivering legally mandated services, the County may correct any and all Deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

22.3 The action noted in Subparagraph 22.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Agreement.

22.4 This Paragraph 22 shall not, in any manner, restrict or limit the County's right to damages for any breach of this Agreement provided by law or as specified in Subparagraph 22.2, and shall not, in any manner, restrict or limit the County's right to terminate this Agreement as agreed to herein.

23. COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all contract terms and conditions and performance standards. Contractor Deficiencies which the County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Agreement or impose other penalties as specified in this Agreement.

24. SUBCONTRACTING

24.1 County has relied, in entering into this Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of this Agreement, or any portion thereof, shall be subcontracted by Contractor without the prior written consent of County as provided in this Paragraph 24. Any agreement (written or oral) by Contractor to subcontract any performance, obligation, or responsibility under this Agreement, without the prior written consent of County, shall be null and void and shall constitute a material breach of this Agreement.

- 24.2 If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under this Agreement, Contractor shall make a written request to County for written approval to enter into the particular subcontract. Contractor's request to County shall include:
- 24.2.1 The reason for the particular subcontract.
 - 24.2.2 A detailed description of the Work to be performed by the proposed subcontractor.
 - 24.2.3 Identification of the proposed subcontractor and a reasonable explanation of why and how the proposed subcontractor was selected.
 - 24.2.4 A draft copy of the proposed subcontract (price and other cost and financial information may be redacted) which shall contain, at a minimum, the provisions set forth in Exhibit F (Exemplary Subcontract). The provisions of Exhibit F (Exemplary Subcontract), or of any approved subcontract agreement between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of County's Project Director, which approval shall not be unreasonably withheld.
 - 24.2.5 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by Exhibit F (Exemplary Subcontract).
 - 24.2.6 Any other information and certifications reasonably requested by County.
 - 24.2.7 County will review Contractor's request to subcontract and determine, in its reasonable discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to County's Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Paragraph 24 (price and other cost and financial information may be redacted) on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.
- 24.3 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under this Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance,

obligations, or responsibilities, to County, nor shall such approval limit in any way any of County's rights or remedies contained in this Agreement.

- 24.4 In the event that County consents to any subcontracting, Contractor shall assure that any Subcontractor personnel shall be immediately removed from the provision of any services under the particular subcontract at the request of County. Further, in the event that County consents to any subcontracting, such consent shall be subject to County's right to cause Contractor to terminate, in whole or in part, any subcontract at any time upon notice to Contractor when such Subcontractor is deemed by County to be in breach of this Agreement or to have caused Contractor to be in breach of this Agreement. County shall not be liable or responsible in any way to Contractor, to any subcontractor, or to any directors, shareholders, officers, employees, or agents of Contractor or any subcontractor, for any claims, demands, damages, liabilities, losses, costs, or expenses, including defense costs and legal, accounting and other expert, consulting or professional fees, in any way arising from or related to County's exercise of such rights.
- 24.5 In the event that County consents to any subcontracting, the subcontractor, on behalf of itself, its successors and administrators, shall assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions of this Agreement and any amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.
- 24.6 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.
- 24.7 In the event that County consents to any subcontracting, Contractor shall obtain an executed Subcontractor Employee Acknowledgment, Confidentiality & Assignment of Rights (attachment to Exhibit F (Exemplary Subcontract)) for each of subcontractor's employees performing Work under the subcontract. Such Agreements shall be delivered to County's Project Director on or immediately after the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

25. PATENT, COPYRIGHT & TRADE SECRET INDEMNIFICATION

- 25.1 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including defense costs

and legal, accounting and other expert, consulting or professional fees, as such are incurred, for or by reason of any actual or alleged infringement of any patent or copyright, or other rights of any third party, or any actual or alleged trade secret disclosure or misappropriation, arising from or related to the system or the operation and utilization of the Work under this Agreement (collectively referred to as "Infringement Claims"). Contractor shall have no obligation to County under this Subparagraph 25.1 if any infringement claim is caused by use by County of VIMS other than in accordance with the Specifications and other applicable Documentation, including all applicable license agreements. Any legal defense pursuant to Contractor's indemnification obligations under this Subparagraph 25.1 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County in writing, such consent not to be unreasonably withheld; provided that Contractor has sole control of the defense or settlement of the Infringement Claims. County shall cooperate with and assist Contractor, at Contractor's expense, in connection with any claim, action, or lawsuit to which the above indemnity applies, including asserting all defenses, claims, or counterclaims reasonably requested by Contractor, including that of sovereign immunity. In addition, Contractor shall not, without County's prior written approval, accept any settlement, or enter a plea of guilty or *nolo contendere*, to any charge or claim that results in other than a monetary judgment against County, which monetary judgment in any event shall not exceed Contractor's ability to pay and which shall be paid by Contractor.

- 25.2 Without limiting the foregoing, in the event County's Project Director becomes aware that ongoing use of VIMS, or any part thereof, is the subject of any Infringement Claim that might preclude or impair County's use of the VIMS or any component thereof (e.g., injunctive relief), or that County's continued use of VIMS may subject it to punitive damages or statutory penalties or other costs or expenses, County shall give notice to Contractor of such fact(s). Upon notice of such facts, Contractor shall, at no cost to County, either (a) procure the right, by license or otherwise, for County to continue to use the affected portion of VIMS, to the same extent of County's license under this Agreement, or (b) to the extent Contractor is unable to procure such right, replace or modify VIMS, in County's reasonable determination, to become non-infringing, non-misappropriating and/or non-disclosing. If Contractor (i) fails to complete the remedial acts set forth above within forty-five (45) Days of the date of the notice from County, or, (ii) if completion is not possible despite Contractor's commercially reasonable best efforts within such forty-five (45) Day period, Contractor fails to make substantial progress towards completing such remedial acts and County has not approved in writing (such approval not be unreasonably withheld or delayed) Contractor's plan of completing such remediation, then in either instance County shall have the right without limiting any other rights or remedies that County may have under

the Agreement or at law or equity, to take such remedial acts it determines to be reasonable to mitigate any impairment of its use of VIMS or damages or other costs or expenses. Contractor shall indemnify County for all amounts paid and all-direct and indirect costs associated with such remedial acts.

26. LIMITATION OF LIABILITY

Except with respect to (a) Contractor's gross negligence or willful misconduct, (b) Contractor's breach of Paragraph 10 (WARRANTIES), (c) the occurrence of any event giving rise to Contractor's indemnification obligations pursuant to Paragraph 25 (Patent, Copyright and Trade Secret Indemnification), or (d) acts, errors, or omissions in the performance of Work hereunder by Contractor (or by Contractors' agents, employees, officers, directors, shareholders, or Subcontractors) that substantially and directly result in or cause an Election return (or any portion thereof) to be disallowed and require such Election (or portion thereof) to be repeated or rerun, County agrees that if Contractor has substantial and direct liability, whether arising under contract, tort, strict liability, or other form of action, such liability shall not exceed the greater of (i) the moneys paid to Contractor under this Agreement during the 12-month period preceding the event giving rise to such liability, or (ii) the maximum amount of insurance coverage applicable to any liability for which Contractor has obtained insurance coverage.

27. ASSIGNMENT BY CONTRACTOR

- 27.1 Contractor shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 27, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the Parties. Any payments by the County to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.
- 27.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

27.3 If any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

28. AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

29. BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Agreement correspondingly for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar Days of the Board's approval of such actions. The Contractor may reduce the level of services provided by a corresponding amount.

30. COMPLAINTS

The Contractor shall develop, maintain and operate procedures for receiving, investigating and responding to complaints.

30.1 Within thirty (30) Days after the Effective Date of the Agreement, the Contractor shall provide the County with the Contractor's policy for receiving, investigating and responding to User complaints.

30.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.

- 30.3 If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within five (5) business days for County approval.
- 30.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.
- 30.5 The Contractor shall preliminarily investigate all complaints and notify the County's Project Manager of the status of the investigation within five (5) business days of receiving the complaint.
- 30.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 30.7 Copies of all written responses shall be sent to the County's Project Manager within three (3) business days of mailing to the complainant.

31. COMPLIANCE WITH APPLICABLE LAW

- 31.1 The Contractor shall comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, and directives, and all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.
- 31.2 The Contractor shall indemnify and hold harmless the County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of the Contractor or its employees, agents, or Subcontractors of any such laws, rules, regulations, ordinances, or directives.

32. COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement. The Contractor shall comply with Exhibit E (Contractor's EEO Certification).

33. COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

33.1 Jury Service Program

This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Agreement.

33.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Paragraph 33, "contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Paragraph 33. The provisions of this Paragraph 33 shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the Agreement commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor

shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "contractor" and/or that the Contractor continues to qualify for an exception to the program.

4. Contractor's violation of this Paragraph 33 may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

34. CONFLICT OF INTEREST

34.1 No County employee whose position with the County enables such employee to influence the award of this Agreement or any competing contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

34.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 34 shall be a material breach of this Agreement.

35. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the Effective Date of this Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

36. CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

36.1 Should the Contractor require additional or replacement personnel after the Effective Date of this Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

36.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

37. CONTRACTOR RESPONSIBILITY AND DEBARMENT

37.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

37.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

37.3 Non-responsible Contractor

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the

County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

37.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the RR/CC shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment

has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

37.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of County contractors.

38. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

39. CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

- 39.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

- 39.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

40. DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

- 40.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs shall be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) Days after the occurrence.
- 40.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by the Contractor by cash payment upon demand.

41. EMPLOYMENT ELIGIBILITY VERIFICATION

- 41.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
- 41.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation by the Contractor of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Agreement.

42. FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each Party, when appearing in appropriate places on the Change Notices and Amendments prepared pursuant to Paragraph 6 (Change Notices and Amendments), and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Notices and Amendments to this Agreement, such that the Parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

43. FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

44. GOVERNING LAW, JURISDICTION, AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

45. MOST FAVORED PUBLIC ENTITY

If the Contractor's prices decline, or should the Contractor at any time during the term of this Agreement provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Agreement, then such lower prices shall be immediately extended to the County.

46. NONDISCRIMINATION AND AFFIRMATIVE ACTION

46.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

- 46.2 The Contractor shall certify to, and comply with, the provisions of Exhibit E (Contractor's EEO Certification).
- 46.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 46.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.
- 46.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 46 when so requested by the County.
- 46.7 If the County finds that any provisions of this Paragraph 46 have been violated, such violation shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Agreement.

46.8 The Parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

47. NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Agreement shall not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

48. NOTICE OF DELAYS

Except as otherwise provided under this Agreement, when either Party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Agreement, that Party shall, within one (1) Day, give notice thereof, including all relevant information with respect thereto, to the other Party.

49. NOTICE OF DISPUTE AND DISPUTE RESOLUTION PROCEDURE

- 49.1 The Contractor shall bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Agreement. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Registrar, or her designee shall resolve it.

- 49.3 Contractor and County agree that, the existence and details of a dispute notwithstanding, both Parties shall continue without delay their performance hereunder, except for any Contractor performance which County, reasonably determines should be delayed as a result of such dispute.
- 49.4 If Contractor fails to continue without delay its performance hereunder which County, reasonably determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim

whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

- 49.5 If County fails to continue without delay to perform its responsibilities under this Agreement which County reasonably determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.
- 49.6 In the event of any dispute between the Parties with respect to this Agreement, Contractor and County shall submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 49.7 In the event that the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed two (2) Days from the date of submission of the dispute, then the matter immediately shall be submitted to the Parties' respective Project Directors (with a copy to County's Project Manager) for further consideration and discussion to attempt to resolve the dispute.
- 49.8 In the event that the Project Directors are unable to resolve the dispute within a reasonable time not to exceed three (3) Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president and the Registrar. These persons shall have five (5) Days to attempt to resolve the dispute.
- 49.9 In the event that at these levels, there is not a resolution of the dispute acceptable to both Parties, then each Party may assert its other rights and remedies provided under this Agreement and/or its rights and remedies as provided by law.
- 49.10 All disputes utilizing this dispute resolution procedure shall be documented in writing by each Party and shall state the specifics of each alleged dispute and all actions taken. The Parties shall act in good faith to resolve all disputes. At all three (3) levels described in this Paragraph 49, the efforts to resolve a dispute shall be undertaken by conference between the Parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.
- 49.11 Notwithstanding any other provision of this Agreement, County's right to

terminate this Agreement pursuant to Paragraph 62 (Termination for Insolvency), Paragraph 60 (Termination for Default), Paragraph 61 (Termination for Improper Consideration), Paragraph 59 (Termination for Convenience), or any other termination provision hereunder, and County's right to seek injunctive relief to enforce the provisions of Paragraph 14 (Ownership of Materials, Software and Copyright), and Subparagraph 3.4 (Confidentiality), shall not be subject to this dispute resolution procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

50. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Addresses may be changed by either Party giving fifteen (15) Days prior written notice thereof to the other Party. The Registrar shall have the authority to issue all notices or demands required or permitted by the County under this Agreement.

53. PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Agreement and for a period of one year thereafter, neither Party shall

in any way intentionally induce or persuade any employee of one Party to become an employee or agent of the other Party. No bar exists against any hiring action initiated through a public announcement.

54. PUBLIC RECORDS ACT

- 54.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 56 (Record Retention and Inspection/Audit Settlement) of this Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
- 54.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.
- 54.3 Notwithstanding the foregoing, Contractor retains all intellectual property rights, including without limitation copyrights, in any software object code and software source code delivered to the County under this Agreement.

55. PUBLICITY

- 55.1 The Contractor shall not disclose any details in connection with this Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Agreement within the following conditions:
- The Contractor shall develop all publicity material in a professional manner; and
 - During the term of this Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior

written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

- 55.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Agreement with the County of Los Angeles, provided that the requirements of this Paragraph 55 shall apply.

56. RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 56.1 In the event that an audit of the Contractor is conducted specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) Days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 56.2 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 56 shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement.
- 56.3 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of the County conduct an audit of the Contractor regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability

for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Agreement exceed the funds appropriated by the County for the purpose of this Agreement.

- 56.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Agreement, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this Paragraph 56 relative to Contractor's employees who have provided services to the County under this Agreement is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

57. RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Agreement.

58. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 39 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), shall constitute default under this Agreement. Without limiting the rights and remedies available to the County under any other provision of this Agreement, failure of the Contractor to cure such default within ninety (90) calendar Days of written notice shall be grounds upon which the County may terminate this Agreement pursuant to Paragraph 60 (Termination for Default), and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

59. TERMINATION FOR CONVENIENCE

59.1 This Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) Days after the notice is sent.

59.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Agreement on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

59.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Agreement shall be maintained by the Contractor in accordance with Paragraph 56 (Record Retention & Inspection/Audit Settlement).

59.4 Upon expiration or termination of the Term, (a) County shall promptly return to Contractor all copies of the VIMS Software in its control, (b) the licenses and maintenance services under this Agreement shall terminate, (c) each Party shall return to the other Party all copies of the other Party's

Confidential information in such Party's control and (d) any unpaid portion of the Contract Sum due Contractor by County be paid to Contractor.

60. TERMINATION FOR DEFAULT

60.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Agreement; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

60.2 In the event that the County terminates this Agreement in whole or in part as provided in Subparagraph 60.1, the County may procure, upon such terms and in such manner as the County and Contractor may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County and Contractor, for such similar goods and services. The Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Paragraph 60.

60.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 60.2 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor

were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Subparagraph 60.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

- 60.4 If, after the County has given notice of termination under the provisions of this Paragraph 60, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 60, or that the default was excusable under the provisions of Subparagraph 60.3, the rights and obligations of the Parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 59 (Termination for Convenience).
- 60.5 In the event the County terminates this Agreement in its entirety due to the Contractor's default as provided in Subparagraph 60.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Subparagraph 60.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of the Registrar, or designee, deducted from any amounts due to the Contractor by the County, whether under this Agreement or otherwise. These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Agreement, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Paragraph 19 (Indemnification).
- 60.6 The rights and remedies of the County provided in this Paragraph 60 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.
- 60.7 Upon expiration or termination of the Term, (a) County shall promptly return to Contractor all copies of the VIMS Software in its control, (b) the licenses and maintenance services under this Agreement shall terminate, (c) each Party shall return to the other Party all copies of the other Party's Confidential information in such Party's control and (d) any unpaid portion of the Contract Sum due Contractor by County be paid to Contractor.

61. TERMINATION FOR IMPROPER CONSIDERATION

- 61.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 61.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 61.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.
- 61.4 Upon expiration or termination of the Term, (a) County shall promptly return to Contractor all copies of the VIMS Software in its control, (b) the licenses and maintenance services under this Agreement shall terminate, (c) each Party shall return to the other Party all copies of the other Party's Confidential information in such Party's control and (d) any unpaid portion of the Contract Sum due Contractor by County be paid to Contractor.

62. TERMINATION FOR INSOLVENCY

- 62.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) Days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
 - The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
 - The appointment of a Receiver or Trustee for the Contractor; or

- The execution by the Contractor of a general assignment for the benefit of creditors.
- 62.2 The rights and remedies of the County provided in this Paragraph 62 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.
- 62.3 Upon expiration or termination of the Term, (a) County shall promptly return to Contractor all copies of the VIMS Software in its control, (b) the licenses and maintenance services under this Agreement shall terminate, (c) each Party shall return to the other Party all copies of the other Party's Confidential information in such Party's control and (d) any unpaid portion of the Contract Sum due Contractor by County be paid to Contractor.

63. TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

- 63.1 The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Agreement.
- 63.2 Upon expiration or termination of the Term, (a) County shall promptly return to Contractor all copies of the VIMS Software in its control, (b) the licenses and maintenance services under this Agreement shall terminate, (c) each Party shall return to the other Party all copies of the other Party's Confidential information in such Party's control and (d) any unpaid portion of the Contract Sum due Contractor by County be paid to Contractor.

64. TERMINATION FOR NON-APPROPRIATION OF FUNDS

- 64.1 Notwithstanding any other provision of this Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.
- 64.2 Upon expiration or termination of the Term, (a) County shall promptly return to Contractor all copies of the VIMS Software in its control, (b) the licenses

and maintenance services under this Agreement shall terminate, (c) each Party shall return to the other Party all copies of the other Party's Confidential information in such Party's control and (d) any unpaid portion of the Contract Sum due Contractor by County be paid to Contractor.

65. VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

67. WAIVER

No waiver by the County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 66 (Waiver), shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

SUBCONTRACTOR hereby assigns and transfers to COUNTY all of SUBCONTRACTOR's right, title, and interest in and to all such materials, data, plans, reports, acceptance test criteria, acceptance test plans, departmental procedures and processes, and information, provided that SUBCONTRACTOR may retain possession of all working papers prepared by SUBCONTRACTOR. During the term of this Agreement and for a minimum of seven (7) years subsequent to such term, COUNTY shall have the right to inspect any and all such working papers, make copies thereof, and use the working papers and the information contained therein.
- 16.2 Upon request of COUNTY, SUBCONTRACTOR shall execute all documents requested by COUNTY and shall perform all other acts requested by COUNTY to assign and transfer to, and vest in, COUNTY all of SUBCONTRACTOR's right, title and interest in and to the items described in Paragraph 16.1, including all applicable copyrights, patents, and trade secret rights. COUNTY shall have the right to register all copyrights and patents in the name of the County of Los Angeles. Further, COUNTY shall have the right to assign, license, or otherwise transfer any and all of COUNTY's right, title and interest, including applicable copyrights and patents, in and to the items described in Paragraph 16.1.

- 16.3 CONTRACTOR and SUBCONTRACTOR shall protect the security of and keep confidential all materials, data, plans, reports, acceptance test criteria, acceptance test plans, departmental procedures and processes, and information received or produced under this Agreement to the extent any such materials, data, plans, reports, acceptance test criteria, acceptance test plans, departmental procedures and processes, and information are of a confidential nature. Further, CONTRACTOR and SUBCONTRACTOR shall use all such security measures that prudent contractors operating in their respective industries would use to protect all such materials, data, plans, reports, acceptance test criteria, acceptance test plans, departmental procedures and processes, and information from loss or damage by any cause, including fire and theft, which measures shall at least equal the degree of care SUBCONTRACTOR applies to the treatment of its own similar materials.
17. **WARRANTY AGAINST CONTINGENCY FEES:**
- 17.1 SUBCONTRACTOR warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by SUBCONTRACTOR for the purpose of securing business.
- 17.2 For breach of this warranty, COUNTY shall have the right to terminate this Agreement and, in its discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
18. **PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION:**
- 18.1 SUBCONTRACTOR shall indemnify, defend, and hold harmless CONTRACTOR, COUNTY, and their respective officers, employees, and agents from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including defense costs and legal, accounting and other expert, consulting, or professional fees, as such are incurred, for or by reason of any actual or alleged infringement of any patent or copyright, or other rights of any third party, or any actual or alleged trade secret disclosure or misappropriation, arising from or related to the system or the operation and utilization of SUBCONTRACTOR's Work under this Agreement or to the Prime Contract (collectively referred to as "Infringement Claims"). SUBCONTRACTOR shall have no obligation to CONTRACTOR or COUNTY under this Paragraph 18 if any infringement claim is caused by use by COUNTY of VIMS other than in accordance with the Specifications and other applicable Documentation, including all applicable license agreements. Any legal defense pursuant to SUBCONTRACTOR's indemnification obligations under this Paragraph 18 shall be conducted by SUBCONTRACTOR and performed by counsel selected by SUBCONTRACTOR and approved by CONTRACTOR and COUNTY in

Notwithstanding the preceding sentence, COUNTY shall have the right to participate in any such defense at its cost and expense, except that in the event SUBCONTRACTOR fails to provide COUNTY with a full and adequate defense, as required by law and this Agreement, COUNTY shall be entitled to reimbursement for all such costs and expenses. COUNTY shall cooperate with and assist SUBCONTRACTOR, at SUBCONTRACTOR's expense, in connection with any claim, action, or lawsuit to which the above indemnity applies, including asserting all defenses, claims, or counterclaims reasonably requested by SUBCONTRACTOR, including that of sovereign immunity. In addition, SUBCONTRACTOR shall not, without COUNTY's prior written approval, accept any settlement, or enter a plea of guilty or nolo contendere, to any charge or claim that results in other than a monetary judgment against COUNTY, which monetary judgment in any event shall not exceed SUBCONTRACTOR's ability to pay and which shall be paid by SUBCONTRACTOR.

- 18.2 Without limiting the foregoing, in the event COUNTY's Project Director becomes aware that ongoing use of VIMS, or any part thereof, is the subject of any Infringement Claim that might preclude or impair COUNTY's use of VIMS or any component thereof (e.g., injunctive relief), or that COUNTY's continued use of VIMS may subject it to punitive damages or statutory penalties or other costs or expenses, COUNTY shall give notice to CONTRACTOR of such fact(s). Upon notice of such facts, CONTRACTOR shall, at no cost to COUNTY, either (a) procure the right, by license or otherwise, for COUNTY to continue to use the affected portion of VIMS, to the same extent of County's license under this Agreement, or (b) to the extent CONTRACTOR is unable to procure such right, replace or modify VIMS, in COUNTY's reasonable determination, to become non-infringing, non-misappropriating and/or non-disclosing. If CONTRACTOR (i) fails to complete the remedial acts set forth above within forty-five (45) Days of the date of the notice from COUNTY, or, (ii) if completion is not possible despite CONTRACTOR's commercially reasonable best efforts within such forty-five (45) Day period, CONTRACTOR fails to make substantial progress towards completing such remedial acts and COUNTY has not approved in writing (such approval not be unreasonably withheld or delayed) CONTRACTOR's plan of completing such remediation, then in either instance COUNTY shall have the right without limiting any other rights or remedies that COUNTY may have under the Agreement or at law or equity, to take such remedial acts it determines to be reasonable to mitigate any impairment of its use of VIMS or damages or other costs or expenses. CONTRACTOR shall indemnify COUNTY for all amounts paid and all-direct and indirect costs associated with such remedial acts. Failure by CONTRACTOR to pay such amounts and costs within ten (10) Days of invoice by COUNTY shall, in addition to, and cumulative to all other remedies entitle COUNTY to immediately withhold payments due to CONTRACTOR under this Agreement up to the total of the amounts and costs paid in connection with such remedial acts.

19. **WARRANTIES:**

19.1 SUBCONTRACTOR represents, warrants, covenants, and agrees that SUBCONTRACTOR shall promptly correct any and all defects, errors, or omissions in the Tasks, subtasks, Deliverables, goods, services, and other Work provided pursuant to this Agreement in order to conform and comply with all specifications, requirements, standards, and representations set forth in this Agreement and the Exhibits attached hereto, including Exhibit [] (Statement of Work). Unless the term of such warranty is extended by the terms of an Exhibit attached hereto, including Exhibit [] (Statement of Work), the term of such warranty shall coincide with the term of the corresponding warranty made by CONTRACTOR to COUNTY for such Tasks, subtasks, Deliverables, goods, services, and other Work.

At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

45.4.6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. I agree to provide any assistance reasonably requested by Subcontractor, now and in the future, to obtain United States or foreign letters patent and copyright registrations covering inventions and original works of authorship belonging or assigned to Subcontractor. I shall execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the U.S. Copyright Office, the U.S. Patent and Trademark Office, or any other entity). If Subcontractor is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated to transfer or assign, I irrevocably designate and appoint Subcontractor and its duly authorized officers and agents as my agent and attorney in fact, to act for and on its behalf and stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest and is irrevocable.

This Agreement shall be construed in accordance with the provisions of Section 2870 of the California Labor Code (the text of which follows) relating to inventions made by an employee. Accordingly, this Agreement is not intended and shall not be interpreted to assign to or vest in Subcontractor any of my rights in any inventions developed entirely on my own time without using Subcontractor's equipment, supplies, facilities, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the invention to Subcontractor's business or the actual or demonstrably anticipated research or development of Subcontractor, or result from any work I performed for Subcontractor.

California Labor Code Section 2870. Employment Agreements; Assignment of Rights

(a) Any provision in an employment agreement which provides that an employee shall assign or offer to assign any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

I acknowledge that violation of this Agreement may subject me to civil and/or criminal action and that the County of Los Angeles may seek all possible legal redress.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

 - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or

 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

Notice 1015

(Rev. December 2005)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2005 are less than \$37,263 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2006.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2005 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2005 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2005 and owes no tax but is eligible for a credit of \$799, he or she must file a 2005 tax return to get the \$799 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2006 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.
