Chapter 5

Write-In Candidates

GENERAL INFORMATION FOR WRITE-IN CANDIDATES

(Election Code § 8600 & 8601)

A person who has not followed the usual procedure for placing his or her name on the ballot for the election may still be elected to office as a Write-in Candidate.

NOTE: If running in a primary election the candidate need not be registered with the party whose nomination he/she is seeking. The signer must be in the district or subdivision in which the write-in is to be voted on and of the same political party. For the general election, no party affiliation is required of the signers of nomination papers.

A Write-in Candidate **is not required** to pay a filing fee.

FILING DEADLINE		
APR. 12 (Mon) Through MAY 25 (Tu) 5:00 P.M.	E - 57 - 14	FIRST AND LAST DAY TO FILE STATEMENT OF WRITE-IN CANDIDACY

Write-In Candidacy forms must be filed with the Registrar-Recorder/County Clerk's Office NO LATER THAN 5:00 P.M. ON THE **14th** DAY prior to the election.

All candidates are urged to file the following documents as early as possible.

CANDIDATE CAMPAIGN STATEMENT FORMS – If you have any questions regarding the completion of this form, contact the Campaign Finance Disclosure Section at (562) 462-2339.

ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified/unqualified write-in candidate and whether a voter has over voted. All aspects of the canvass shall be open to the public. **Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.**

WRITE-IN CANDIDATES TO BE ELECTED

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. When judicial, party central committees, school and UDEL contests are involved, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive. (E. C. §§ 7228, 7423, 7673, 8203 and 10515; Ed. Code § 5326)

NAME DOES NOT APPEAR ON BALLOT – If the candidate's name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the official sample ballot. (E. C. § 302)

TO BE ELECTED – In order to be nominated to any partisan office at the primary election, the write-in candidate must receive more votes than any other candidate running for that party's nomination, and must also receive votes equal to at least **1%** of all votes cast for that office at the last preceding general election when the office was filled.

In order for a candidate, including a write-in candidate, to win election to a judicial or county office (superior court judge, district attorney, assessor, sheriff and county supervisor) at the primary election, the candidate must receive a majority of the ballots cast for candidates for that office. In order for a candidate, including a write-in candidate, to be nominated to a judicial or county office at the general election, the candidate must be one of the top two candidates who received the most votes in the primary election.

Candidates, including write-in candidates, for member of the Democratic, Republican and American Independent Party's county central committee shall not be declared elected unless the candidate receives votes equal to the number of signatures required on nomination papers.

Candidates, including write-in candidates, for member of the Peace and Freedom Party's central committee shall not be declared elected unless the candidate receives a number of votes equal to or greater than 2% of the number of party members voting in the district, or 20 votes, whichever is less.

Candidates, including write-in candidates for member of the Green Party's county council who receive the highest number of votes equal to the number to be elected shall be declared elected.

(E. C. §§ 8140, 8141, 8144, 8605, 15451, 15460, 15470, 15480 and 15490)

PROPOSITION B

On December 5, 1996, the County of Los Angeles adopted an ordinance (commonly referred to as "Proposition B") passed by the voters at the November 5, 1996, General Election which regulates campaign contributions to candidates running for the offices of Assessor, District Attorney, Sheriff, and member of the Board of Supervisors. If you are filing to run for any of these offices, your Campaign Finance Disclosure Kit will include a copy of a summary of the major provisions of Proposition B and a copy of the ordinance, including the most recent amendments.

The electronic filing system, "TRACCER", allows candidates and elected officials to use the Internet to file their campaign disclosure statements online directly with the Registrar-Recorder/County Clerk (RR/CC). Filing online is optional and will allow the public the convenience to view and search the campaign disclosure statements at www.lavote.net. **NOTE: Filing your campaign statements online does not meet your filing requirements. In order for your filing requirement to be met the original (hard copy) campaign statements must be filed by the legal deadlines with the RR/CC.**

REVIEW OF REPORTING REQUIREMENTS
Campaign Disclosure Filing Requirements for ALL
Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity; and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a "Candidate and Officeholder Campaign Statement Short Form (Form 470)."
- Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The **second pre-election statement** must be filed in person or guaranteed overnight delivery. Mail, which is not received by the filing officer, shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

The failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

DEFEATED CANDIDATES

Must file campaign disclosure reports until:

Campaign committee has been terminated by filing Form 410 (see Part 5)

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1

LEGISLATIVE INTENT. CHAPTER 976, 1977 STATUTES.

The Legislature finds and declares:

(a) That a need exists for adequate identification of the source of campaign appeals directed at the voters in order to assist them in making rational decisions at the polls.

(b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.

(c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.

(d) That by requiring identification, a candidate who believes he or she has been libeled may more readily seek redress in a civil action for damages.

(e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.

(f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for _____" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2

MASS MAILINGS

Definition.

"Mass mailing" means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

Gov. Code § 82041.5

Manner of sending mass mailings.

(a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Cont'd)

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a). **Gov. Code § 84305**

Newsletter or mass mailing.

No newsletter or other mass mailing shall be sent at public expense. **Gov. Code § 89001**

PART 3

TRUTH IN ENDORSEMENTS LAW

Name of chapter.

This chapter shall be known and cited as the Truth in Endorsements Law.

E. C. § 20000

Legislature's findings.

The Legislature hereby finds the following to be true:

(1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.

(2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.

(3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.

(4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products. **E. C. § 20001**

Restraining order or injunction.

The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. **E. C. § 20006**

GENERAL CAMPAIGN INFORMATION (Cont'd)

Representation requirements.

No candidate or committee in his or her behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words "county committee," "central committee," "county," or any other term that might tend to mislead the voters into believing that the candidate has the support of the party's county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence an action in the superior court to enjoin misrepresentation by a candidate or committee in his behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved.

E. C. § 20007

Political advertisement requirements.

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words "Paid Political Advertisement." The words shall be set apart from any other printed matter.

As used in this section "paid political advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

E. C. § 20008

Simulated ballot requirements.

(a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of such statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

"NOTICE TO VOTERS"

(Required by Law)

"This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State."

"This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof)."

GENERAL CAMPAIGN INFORMATION (Cont'd)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

(b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.

(c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

E. C. § 20009

No pictures of candidates in campaign material.

(a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. "Campaign material" includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, "actual malice" means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.

(b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: "This picture is not an accurate representation of fact." The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

(c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. Upon filing a petition under this section, the plaintiff may obtain a temporary restraining order in accordance with Section 527 of the Code of Civil Procedure.

(2) A candidate for public office whose likeness appears in a picture or photograph prohibited by subdivision (a) may bring a civil action against any person, firm, association, corporation, campaign committee, or organization that produced, distributed, published, or broadcast the picture or photograph prohibited by subdivision (a). The court may award damages in an amount equal to the cost of producing, distributing, publishing, or broadcasting the campaign material that violated this section, in addition to reasonable attorney's fees and costs.

GENERAL CAMPAIGN INFORMATION (Cont'd)

(d) (1) This act shall not apply to a holder of a license granted pursuant to the Federal Communications Act of 1934 (47 U.S.C. § 151 et seq.) in the performance of the functions for which the license is granted.

(2) This act shall not apply to the publisher or an employee of a newspaper, magazine, or other periodical that is published on a regular basis for any material published in that newspaper, magazine, or other periodical. For purposes of this subdivision, a "newspaper, magazine, or other periodical that is published on a regular basis" shall not include any newspaper, magazine, or other periodical that has as its primary purpose the publication of campaign advertising or communication, as defined by Section 304.

E. C. § 20010

PART 4

PRINTING OF SIMULATED SAMPLE BALLOTS

In addition to any other penalty, any person who prints or otherwise duplicates, or causes to be printed or duplicated, a simulated ballot or simulated sample ballot that does not contain the statement required by Section 20009 or that uses an official seal or insignia in violation thereof, is guilty of a misdemeanor.

E. C. § 18301

PART 5

DISTRIBUTION OF PRECINCT POLLING PLACE INFORMATION

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter which includes a designation of the voter's precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to such mailing or distribution.

E. C. § 18302

PART 6

Placement of Signs in Unincorporated Areas

The Outdoor Advertising Act prohibits placement of any temporary political signs on interstate highways, public or primary highways, and streets in unincorporated areas of the state, including Los Angeles County. This includes telephone poles, street signs, utility poles, street medians, sidewalks, bus stop benches and bus shelters located on the above highways and streets. (Please see Business & Professions Code § 5215 and § 5220 for definitions of various highways.) The County Code provisions also prohibit the placement of temporary political signs on private property in the unincorporated areas without the consent of the owner or occupant.

Note: In some instances, **city ordinances** also regulate the placement and removal of temporary political signs. Please check with the city clerk or police department of a city before placing such signs within its boundaries.

**INFORMATION FOR INDIVIDUALS, GROUPS AND ORGANIZATIONS
DISTRIBUTING APPLICATIONS FOR VOTE BY MAIL BALLOTS**

VOTE BY MAIL BALLOT APPLICATION

(a) Before you do anything else, contact your local elections official.

The local elections official can assist you in your vote by mail voter drive. He or she can provide information to ensure that your application format is correct, as well as other important details. Failure to make early contact with the elections official could result in delays or problems which might interfere with your intended goal of enabling people to vote by mail.

If you need assistance or have any further questions concerning use of the vote by mail voter application form, please call the Vote by Mail Voting Section at (562) 462-2381.

(b) Uniform Vote By Mail Voting Application

Pursuant to Elections Code § 3007, the Secretary of State has prepared a uniform application format for a vote by mail voter's ballot for use by all individuals, organizations and groups distributing vote by mail voter applications. Failure to conform your applications to the uniform format is a misdemeanor. **E. C. § 18402**

(c) Important Vote By Mail Ballot Application Information

Some of the important points you need to be aware of in your effort to distribute applications for vote by mail ballots include:

(1) In order to ensure accuracy, the voter should fill out all the information on the application himself or herself. The law does, however, permit the following information to be preprinted on the application form prior to distribution to the voter:

(a) The voter's name and residence address as they appear on the voter's affidavit of registration.

(b) The name and date of the election for which the vote by mail ballot is being requested.

(c) The deadline date by which the application must be received by the elections official.

(2) There is a separate section of the form for the voter to indicate a "mailing address" if he or she receives mail at an address other than his or her residence address. This section of the form may **only** be completed by the voter (**mailing address information may not be printed by the person, group or organization distributing the applications**).

GENERAL CAMPAIGN INFORMATION (Cont'd)

(3) The voter must personally affix his or her signature.

(4) The mailing address to which a vote by mail ballot is requested to be sent may not be the address of any political party, political campaign headquarters, or a candidate's residence. This provision, of course, does not apply to the candidate or the candidate's immediate family members or housemates who requests that a vote by mail ballot be mailed to the candidate's residence address.

(5) Any application containing preprinted information shall contain the following statement (verbatim):

You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside.

This statement must be conspicuously printed on the application form.

(6) The name, address and telephone number of any organization, individual or group which authorizes the distribution of applications shall be printed on the application.

(7) Any individual, organization or group that distributes applications for vote by mail voter ballots and receives completed application forms back from voters shall deliver the forms to the appropriate elections official **within 72 hours** of receiving the completed forms. **Note that Elections Code § 18576 makes it a misdemeanor to delay the proper return of a vote by mail voter application.**

(8) Any application for a vote by mail voter's ballot which is sent by a group or organization to a voter shall be sent by non-forwardable mail.

(9) Any individual, group or organization that knowingly distributes any application for a vote by mail voter's ballot which does not conform to the requirements of the vote by mail voter provision is guilty of a misdemeanor. **E. C. § 18402**

(10) Voters who use the vote by mail ballot applications provided by individuals, groups and organizations must attest to the truth and correctness of the contents of the application and sign the application under penalty of perjury.

(11) The vote by mail ballot application must contain information about California's permanent vote by mail voter provision. **E. C. § 3006**

(d) Vote By Mail Ballot Application Format

All individuals, groups and organizations distributing vote by mail ballot applications must use the standard format approved by the Secretary of State. **E. C. § 3007**

INFORMATION ON FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an "internal security" statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 219-3420.

MULTILINGUAL VOTING SERVICES

MULTILINGUAL VOTING SERVICES

OVERVIEW OF MULTILINGUAL (ML) VOTER SERVICES PROGRAM

BACKGROUND

Public Law 102-344 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English, Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese-speaking voters. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters. (*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.) These languages include Chinese, Japanese and Korean.

TRANSLATION OF ELECTION MATERIALS

A language is considered to be covered by the Voting Rights Act (VRA) as mandatory for the County's translated election materials if 1) more than 5% of the citizens of voting age are members of a single language minority and are limited English proficient (LEP) or 2) more than 10, 000 of the citizens of voting age are members of a single language minority and are limited English proficient.

MANDATED LANGUAGES

Although the VRA requires a 5% standard for targeting for multilingual services, Los Angeles County has set a 3% standard to provide minority language materials in every election. If the number of eligible voters for a specific language is higher or equal to the 3% criteria, that language qualifies for translation. Languages that fall under the 3% criteria do not qualify for translation. This criteria not only identifies the election district/city areas throughout the county with a cost-effective method of meeting the VRA requirements, but also helps minimize printing/translation costs for election jurisdictions. The six minority languages that are required by Federal mandates in Los Angeles County are Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese.

IMPLICATIONS TO CANDIDATE

There are no implications to the candidate because the County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English Sample Ballot booklet. However, as noted in the *Candidate Statements* chapter of the handbook (see page 65 of Section 1) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional and the candidate needs to make a

request for this service and pay for it when he/she files candidate statements with the county elections official.

TRANSLITERATION OF CANDIDATE NAMES

This department will transliterate your name in Chinese, Japanese and Korean. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the deadline set to print translated sample ballots. Various minority community groups and news media assist this office by reviewing submitted transliterations to insure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form (see next page) together with their nomination documents but no later than the last day to file these documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official no later than the last day of the review period. Timeframe: **E-62 through E-60** (subject to change). To schedule a review of your transliterated name, you may call (562) 462-2730 or (562) 462-2832.

MULTILINGUAL VOTER SERVICES

The ML Voter Services Program includes services such as:

- ◆ Bilingual Assistance Hotline (1-800) 481-8683.
- ◆ Upon request, translated election materials are mailed to voters before every election.
- ◆ Bilingual assistance at targeted polling places.

Translated copies of the “ML Voter Services” brochures are available at the RR/CC Election Information counter, 2nd Floor Room 2013 and online at www.lavote.net

ELECTION DAY

ELECTION DAY

ENHANCED VOTING SYSTEM – INKAVOTE PLUS

Los Angeles County voters will be using the InkaVote Plus voting system at all voting precincts on Election Day. InkaVote Plus enhances the existing InkaVote optical scan system to comply with new federal Help America Vote Act (HAVA) requirements. The enhanced system allows disabled voters, including those who are blind and visually impaired, to cast a ballot privately and independently using an audio headset. Additionally, the InkaVote Plus system will provide all voters with the opportunity to have their ballots reviewed for errors prior to casting their votes.

After using the inking device provided to mark the **InkaVote** ballot, the voter will insert the ballot into the ballot box through a new machine (as shown in picture). The machine will alert the voter if a mistake occurred - for example, if a voter "*overvoted*" in any one contest for more candidates than allowed. The voter may then receive a replacement ballot to correct the error.

HELP AMERICA VOTE ACT (HAVA) – UPDATE ON VOTER REGISTRATION

As of January 1, 2006, federal HAVA law requires every state to have a statewide voter registration database in place. As a result, in order to be listed on the California voter file, each person must provide a California Driver's License (CDL) number when registering or re-registering to vote. Persons who do not have a CDL may provide a California State Identification (ID) number issued by the State's Department of Motor Vehicles (DMV). Any person who does not have either a driver's license or State ID number must provide the last four digits of his/her social security number. All voter registration forms must then be cleared by the California Secretary of State (SOS) system (CalVoter) prior to the registration or re-registration becoming effective. Clearance by the SOS's CalVoter system involves matching information provided by the voter on the registration form against the DMV database or federal social security information to verify identity.

When assisting voters with the voter registration process, please ensure that they provide a CDL or State ID number on the form.

POLLING PLACES AND POLLWORKERS

Basic Information:

- ◆ Polling Place Hours: 7:00 a.m. until 8:00 p.m.
- ◆ There will be over 4,500 polling places in the June 8, 2010 Statewide Primary Election.

Questions and Answers:

- Q.** Can a candidate or a close relative of a candidate serve as a **pollworker** for the election in which he/she is running?
- A.** No. This is not permitted.
- Q.** Can a candidate host a **polling place** at his/her residence or office on Election Day?
- A.** No. This is not legally allowed.

QUESTIONS AND ANSWERS: (Cont'd)

*Q. How can candidates get a list of **polling place** locations?*

A. Contact the Election Information Section at 1-800-481-VOTE (8683) or (562) 466-1310. There is a small fee for this service. A small number of polling locations change after the sample ballots are mailed to voters. Voters are notified of polling place changes via a "polls change postcard." All polling locations are kept current on our website at www.lavote.net and are accessible for any voter to view by clicking on "Polling Place and Sample Ballot Look Up".

NOTE: Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter's precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to the mailing or distribution. **E. C. § 18302**

*Q. Why do **polling places** change?*

A. Despite best efforts to locate and secure long-term hosts for voting locations, an average of 8-10% of Los Angeles County polling places change between major elections. Facilities used in the past may not be available due to 1) location has another commitment on that date or is undergoing reconstruction; 2) precinct boundary lines were revised to comply with new legal requirements (for example, new state law became effective in 2006 reducing the maximum number of registered voters allowed per precinct from 1,250 to 1,000); 3) determination of non-accessibility to voters with disabilities; 4) complaints from voters regarding former voting location such as insufficient parking, lighting, etc.; and 5) different groupings of districts from one election to the next make it necessary to alter voting precinct boundary lines.

*Q. What do **pollworkers** do and how are they compensated?*

A. Pollworkers are civic-minded citizens who help to set up the voting locations (polls), assist voters when signing in, demonstrate how to use the voting system, issue ballots, etc. After the polls close, pollworkers are responsible for accounting for all the ballots, packing up election supplies and delivering ballots and supplies to a designated Check-in-Center.

Every poll has an Inspector who is in charge and several pollworker clerks depending on the number of registered voters in the precinct. Inspectors receive up to a \$175 stipend and clerks receive up to \$105.

To volunteer to serve as a pollworker, non-candidates
may call 1-800-815-2666 Option 7

QUESTIONS AND ANSWERS: (Cont'd)

*Q. Is it legal for high school students to serve as **pollworkers**?*

A. State law allows qualified high school students to serve as “student pollworkers” on Election Day. The Student Pollworker Program (SPP) is a great way to introduce young people to democracy in action and at the same time provide a valuable community service. Students who serve as regular members of a precinct board on Election Day, receive the \$80 pollworker stipend, plus a \$25 bonus if they attend a training class. Students must be U.S. citizens at least 16 years of age with a grade point average of 2.5.

*Q. Do you know any **bilingual voters** who might be willing to serve as a **pollworker**?*

A. The federal Voting Rights Act requires that **bilingual pollworkers** be hired in targeted polling places to provide oral assistance to limited-English proficiency voters. The RR/CC is currently recruiting Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese-speaking pollworkers.

BILINGUAL POLLWORKERS

Bilingual pollworkers must be registered voters who speak English well enough to explain election procedures to English speaking voters. They must also understand English well enough to assimilate the difficult procedures taught in the training classes.

Bilingual pollworkers are vital in helping citizens with limited English proficiency to exercise their voting privileges. They assist voters, whose primary language is not English, and help them understand voting procedures by responding to their questions. As a means to address the bilingual pollworker recruitment challenges, a “Pollworker/Recruiter” Program, which brought community activists into recruiting bilingual pollworkers from their communities, was launched in 1998. In addition, to solve the general pollworker recruiting issues, Los Angeles County has developed the Student Pollworker and County Employee Pollworker Programs. The County has utilized these programs, in addition to the Pollworker/Recruiter Program, to address bilingual pollworker recruiting challenges. By working together, we can eliminate problems early.

BILINGUAL POLLWORKERS (Cont'd)

Los Angeles County employs a four-part system to identify "targeted" polling places for oral assistance. This "targeting" system was negotiated over a two-year period with attorneys from Los Angeles County, the Department of Justice and community-based organizations. The four elements of the targeting system are:

- **Census Data.** This is simply a "Yes – Targeted" or "No – Not Targeted" designation per voting precinct. All Census Data targeted precincts are placed on a high targeted list.
- **Multilingual Requests on File.** This category reflects the number of voter requests for language assistance which are on the voter file for a given voting precinct. The standard for targeting is twenty or more requests for all six federally mandated languages: Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese. Precincts with twenty or more such requests are placed on a (high) targeted list.
- **Input from Community Based Organizations.** If a community based organization indicates that a neighborhood should be targeted for a particular language due to community awareness of a high number of language minority voters in a specific language(s), the polling places in that immediate neighborhood are targeted for future elections and are placed on a secondary targeted list.
- **Multilingual Tally Card.** The "Multilingual Tally Card" is provided to each polling place for the poll workers to keep track of voters requesting language assistance. If more than five voters request language assistance in any language in a precinct not already targeted, such precincts are placed on a tertiary targeted list.

NEIGHBORHOOD VOTING CENTERS (NVCs)

In an effort to recruit and retain voting locations which are visible, stable, sizeable, and accessible for voters with disabilities and adaptable to more sophisticated voting technologies, the County is moving in the direction of centralized Election Day voting locations which can accommodate more than one precinct.

Between major elections approximately 8 to 10 percent of LA County polling places are replaced because the previous location is no longer available. The transition to NVCs will mean identifying and securing long-term partnerships with polling place hosts, which will help minimize voter confusion. Examples include government buildings, schools, recreation centers and community centers.

The County will continue to provide a variety of services to assist in directing voters to their correct poll including listing the poll address on the back of the voters' sample ballot, posting poll addresses on the County website and an automated phone system which can be accessed 24 hours a day.

ELECTION DAY SERVICES FOR VOTERS WITH SPECIFIC NEEDS

Assistance in Voting. Under California law, any voter who needs help in casting a ballot is entitled to request assistance. A pollworker can provide assistance or the voter may select a person of his or her choice. If the voter is unable to mark the ballot, the voter may choose up to two people to help cast his/her vote. The assistants may not be the voter's employer, the employer's agent or the voter's labor union leader or agent.

Curbside Voting. Any voter who cannot reach the voting area at the polling place because of architectural barriers or physical limitations may request to vote "curbside" (outside of the polling location.) A pollworker will bring a ballot and marking device to the voter, assist the voter if necessary, and place the voter's ballot in the box.

Large Handle Pen. A special pen with a large ball for easy gripping is available at each polling place in Los Angeles County. This pen allows persons who are unable to grasp the regular pen to more easily mark the ballot card.

Voters with Vision Impairments. Each polling place displays voting instructions in large type. Magnifying devices are also available for voters who may have difficulty reading the ballot.

Wheelchair Accessible Voting Booths. Designated wheelchair accessible voting booths are available at every county poll location.

Audio Ballot Booth. Audio equipped voting booths are available at every county poll location. Voters may vote privately and independently using an audio headset and simple up/down arrow keypad.

A GUIDE FOR POLL WATCHERS

Poll watchers are persons interested in election proceedings who are entitled to observe polling place operations during voting hours. However, poll watchers may not disrupt the election process or interfere with a voter's right to cast a secret ballot. Poll watchers often represent candidates, political campaigns and/or organizations.

Pollworkers are appointed by the Registrar-Recorder/County Clerk and are responsible for all phases of the election that take place at the polls. They will comply with poll watchers' requests for voter information.

The following pages contain rules and procedures that all observers at the polling places must comply with at all times.

1. Vote counting activities at the polls and the tally center are open to public observation but no interference will be allowed during the proceedings. Interference with the election and canvass, or with a voter casting a ballot, is punishable by imprisonment in state prison for up to three years. **(E.C. § 18502)**

Only pollworkers have the right to challenge a person's eligibility to vote at the polls. A challenge may be made only upon sufficient probable cause. ELECTION RESULTS

ELECTION RESULTS/CANVASS/ ELECTION CONTESTS/RECOUNTS

TABULATION OF ELECTION RESULTS

Can I, as a Candidate, view all parts of the ballot counting process? Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the lobby, located on the 1st floor of the Norwalk headquarters, to check in and be provided with an observer's badge. Tours are available.

How Can I Get Results Election Night?

- **Web site:** Results are available on the Internet at www.lavote.net
- **Phone:** Live operators are also available by calling (562) 466-1323 from 8:30 p.m. and approximately every 20 minutes thereafter until all precincts have reported.
- **Norwalk Headquarters:** Hard copy bulletins are printed and distributed on the 3rd floor near the Tally / MTS room.

Are Election Night Results Final? No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are considered semi-official.

POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of vote by mail and provisional ballots tallied at the beginning of the canvass process.

Outstanding ballots include:

- Vote by mail ballots turned in at the polls on election day,
- Write-in ballots, or
- Provisional ballots voted at polls and sealed in envelopes for further research.

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

CANVASS/CERTIFICATION

Canvass is a process of reconciling numbers and the supplemental counting of vote by mail ballots turned in at the polls, provisional and write-in ballots. The numbers of voted ballots reported by pollworkers and vote by mail ballots are matched to what the computer counted. California law permits 28 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of over 4,500 voting precincts. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts. After election night, the schedule of supplemental ballot counting will also be posted on the entrance door of our office in Norwalk.

STATEMENT OF VOTES CAST

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available the Thursday after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the Final Official Canvass Statement of Votes Cast is made available at our office and on the website.

ELECTION CONTEST

An election contest may involve a recount, but it is not the same as a requested recount. It is a court action and can be brought for a variety of reasons and at different times. For complete information, refer to the Elections Code Division 16, Election Contests.

DOCUMENT RETENTION

Certain precinct supplies and all voted ballots must be preserved for 22 months when a federal office is on the ballot and 6 months for all other elections. If no legal action is pending at the end of this period, the documents may be destroyed or recycled. Unused ballots may be destroyed or recycled after the election.
